

ATTENTION to SILENCE

2 April 2021

Alix Hui

and the

[Friends of Attention](#)

EXERCISE

I. Go to a window (or door) and...
listen for silence
and for birds.

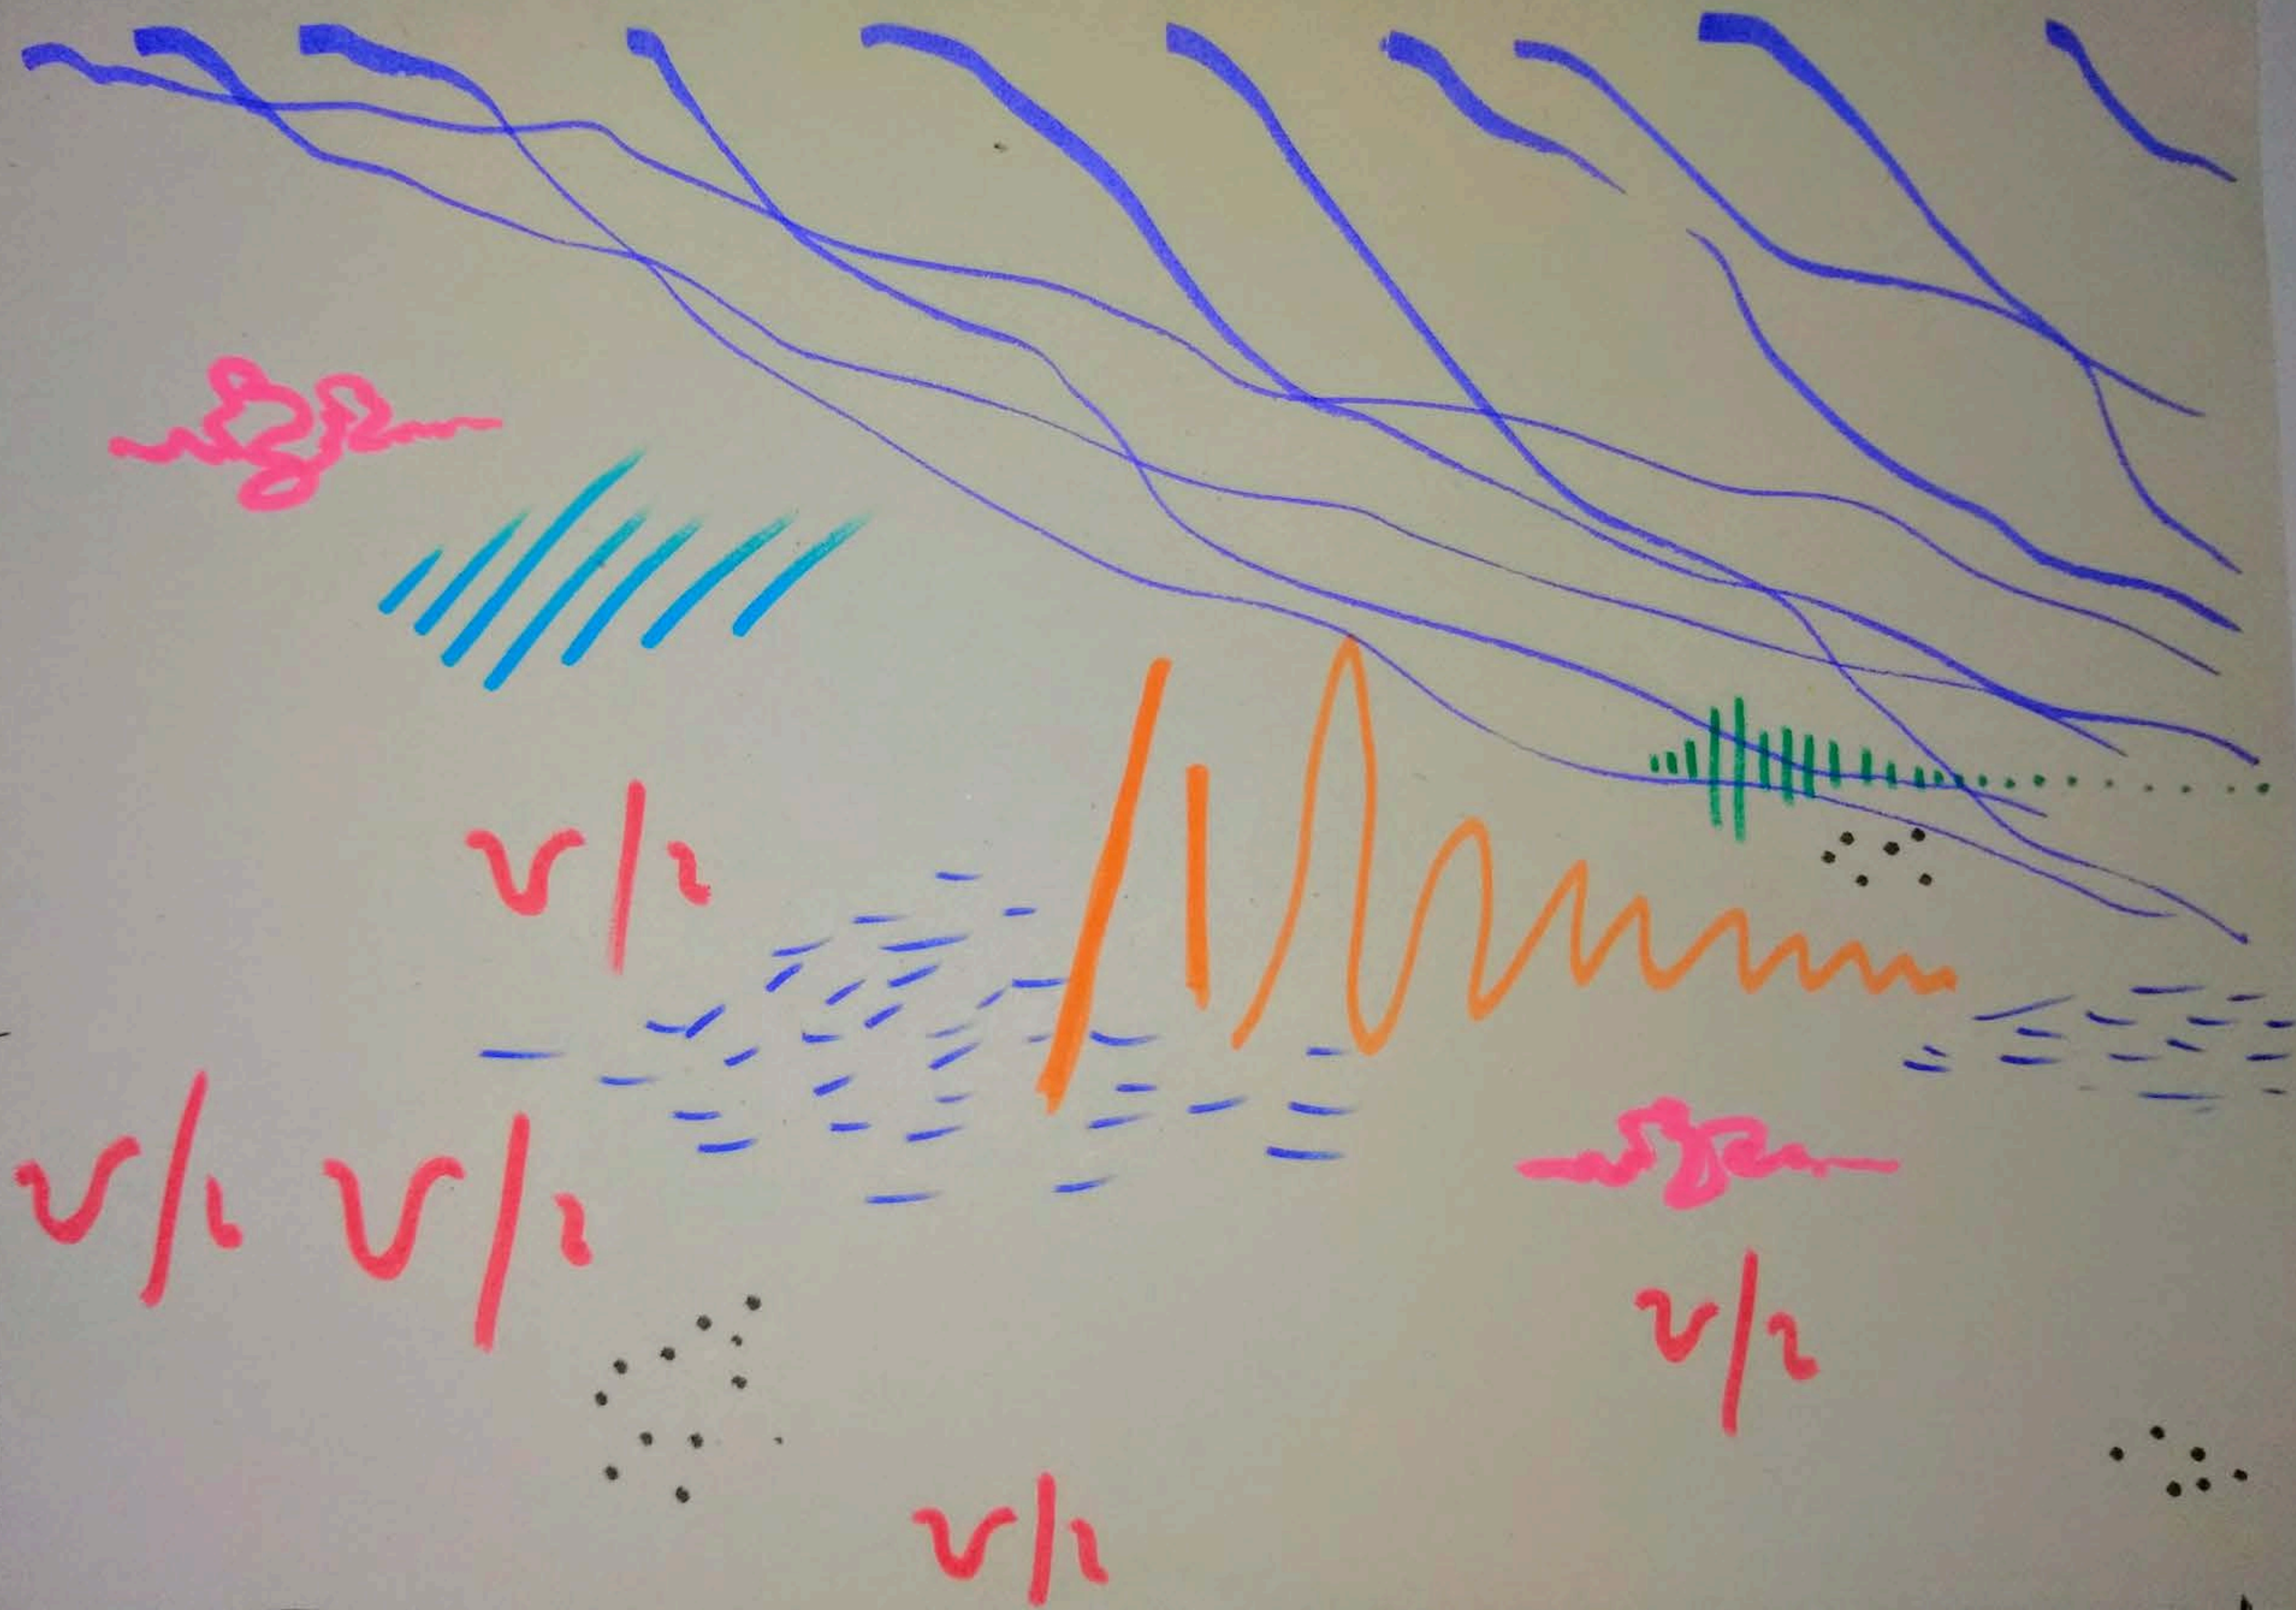

II. using whatever form of notation you wish,
note what you hear.

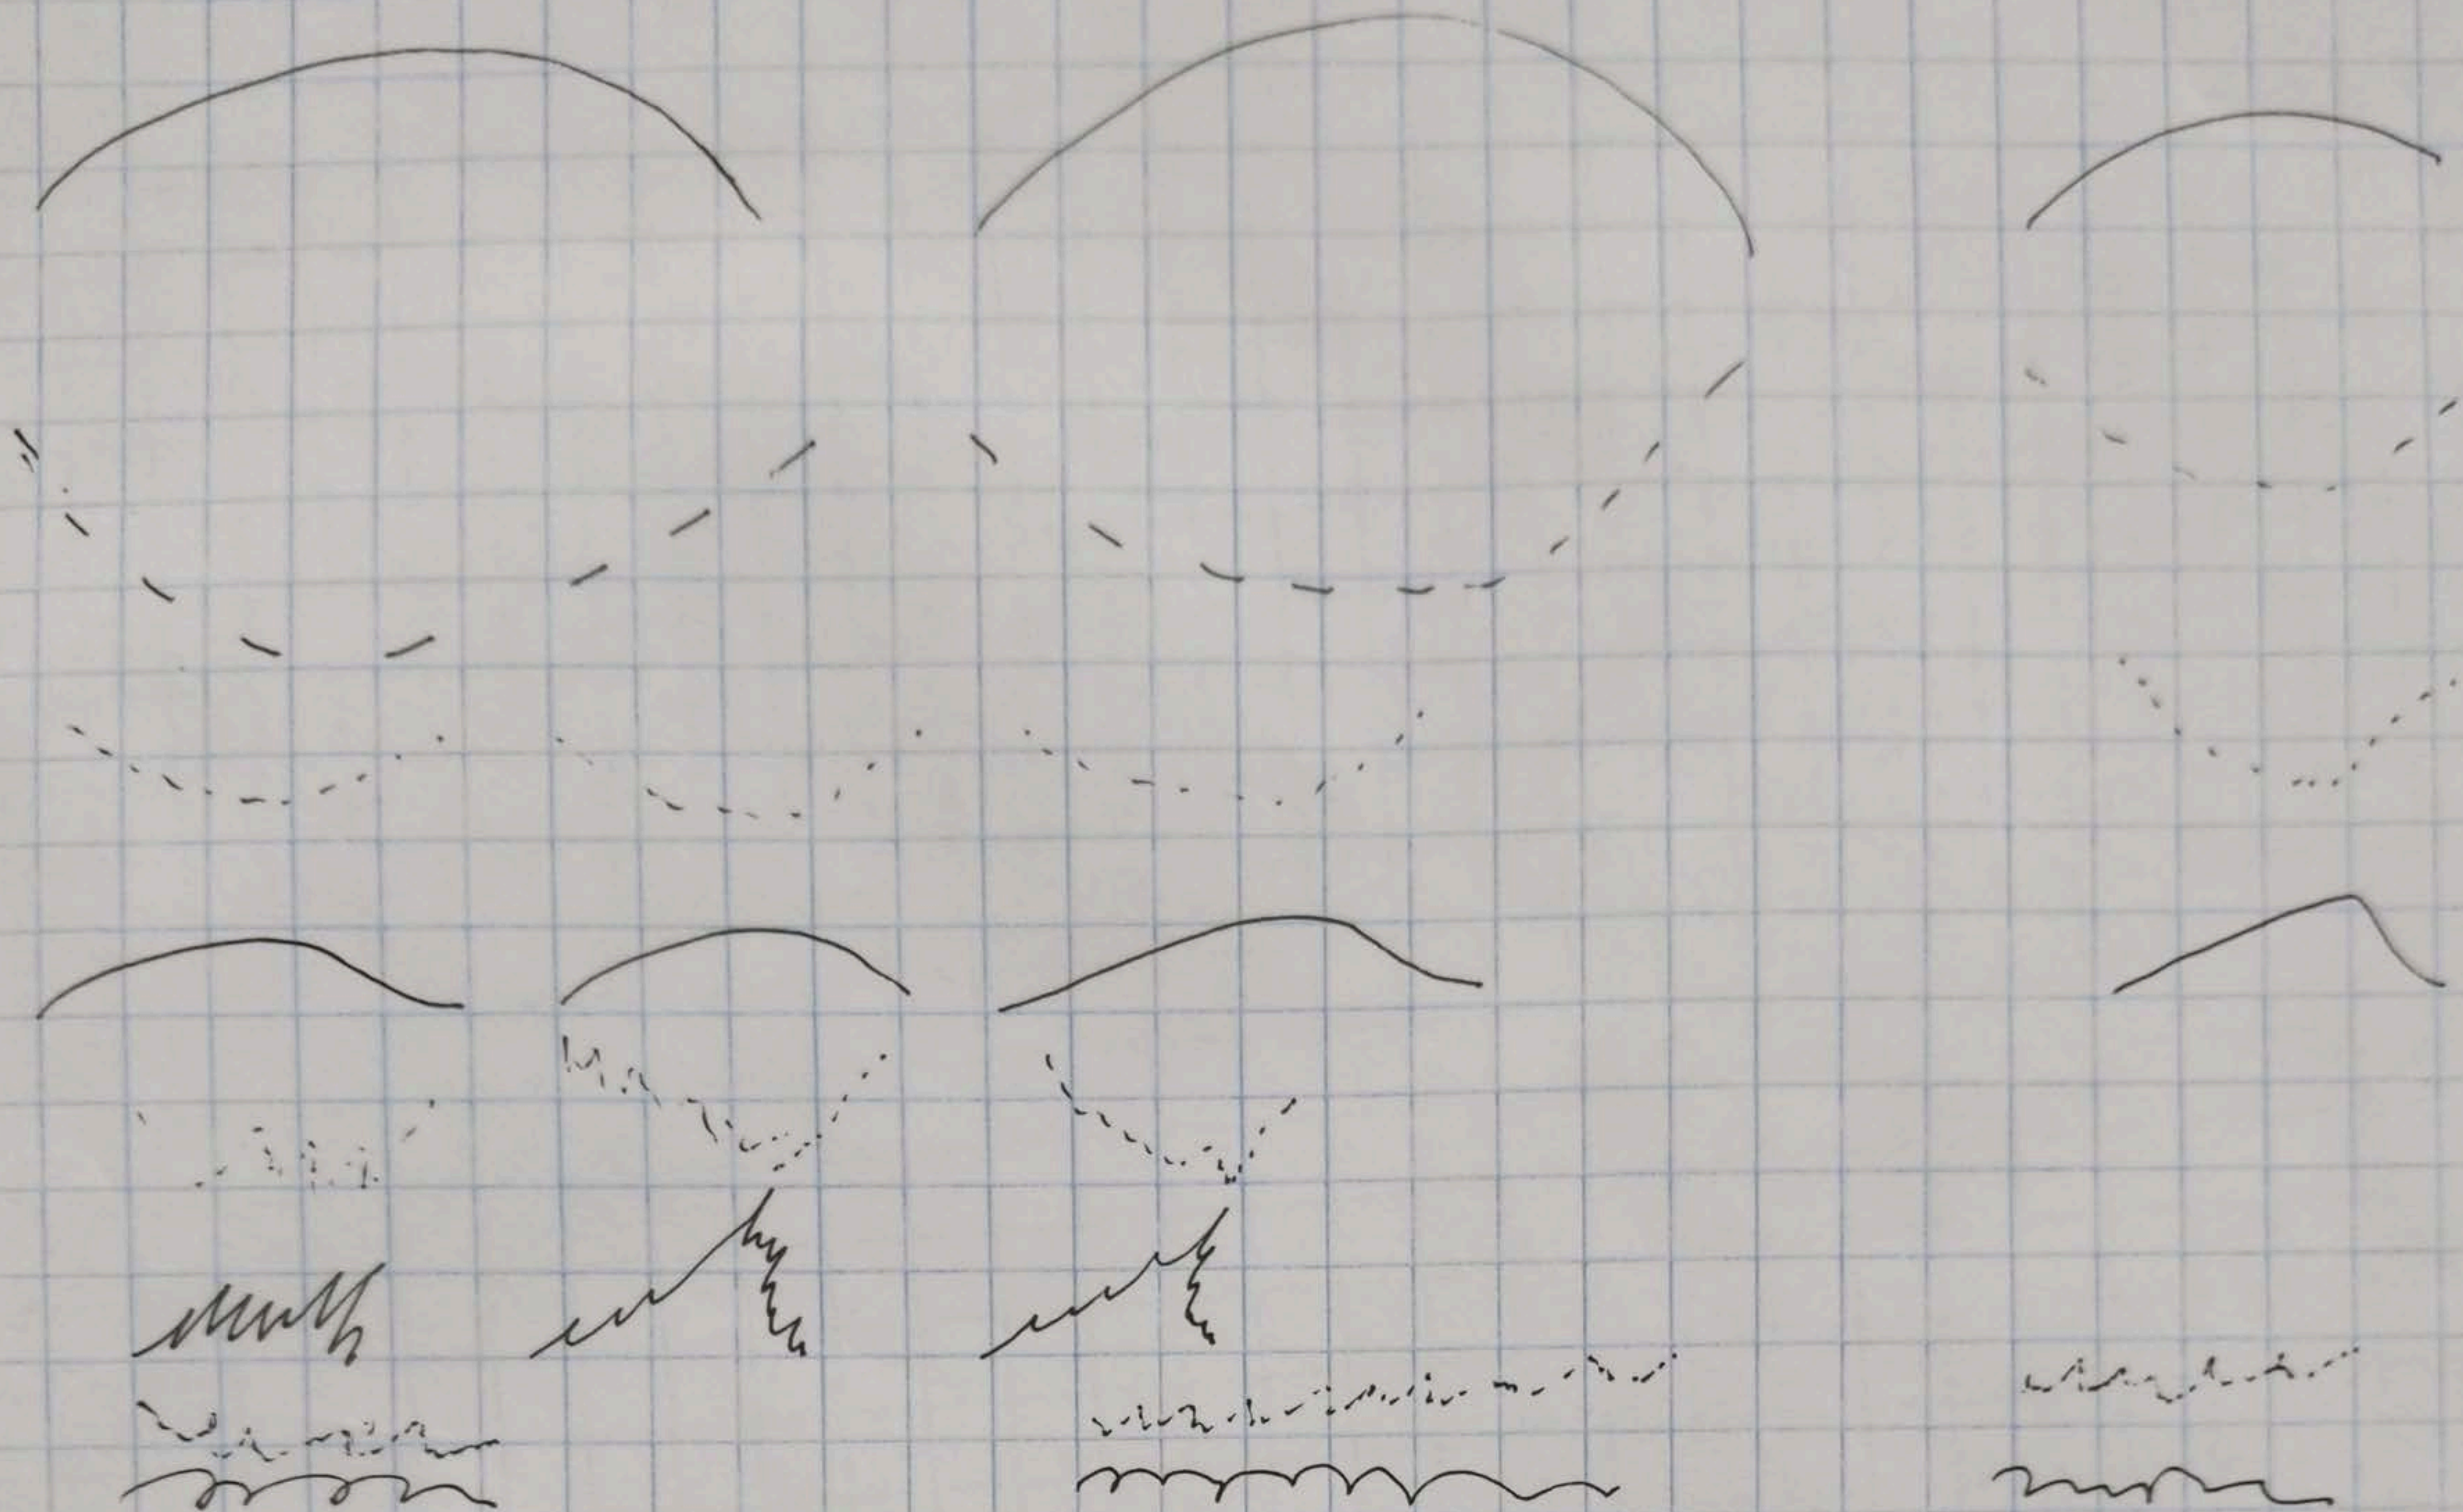

(We will reconvene in 10 minutes to discuss ...)

presence
Sound

time span

silence as a reflection of new attention, the possible
the absent sound

1. Dear

[Faint handwritten notes or markings]

Handwritten notes on lined paper, likely a ledger or account book. The text is written in cursive and includes several lines of entries, some of which are crossed out or corrected. The entries appear to be financial or accounting in nature, possibly listing items and their corresponding values or dates. The handwriting is somewhat faded and the paper shows signs of age.
